

PRESS RELEASE

Primo Piano LivinGallery is pleased to announce its exhibition on "Cuore Pop". The show is curated by **Dores Sacquegna** in partnership with artist and curator **William Vecchietti**. In the show illustration, cartoons, video animation, pop surrealism, urban and street art. International artists on display. The show goes well in the field of illustration, cartoons, pop surrealism, the ironic installations, with a clear intention of transforming an existing context, in a different and alternative load of new and creative life.

Divided into several sessions, the exhibition will lead to Lecce, in the halls of the gallery, the creative experience of some of the most interesting international artists including established authors and promising young talents. By partnering with *William Vecchietti*, artist and curator (aka Yapwilly) for the opening there is a collective performance of some of the artists of the **SOUTH STREET ART ITALY**: **Cheko's, Stencil Noire, Frank Candlewick, Nocchi, Leg, DNA Mr.P.** in collaboration with the same **Yapwilly**. A section of the exhibition is devoted to photos of the stencils on the walls made for "Fair Game", in the Santa Rosa's square in Lecce, Italy.
